TAYLORS LAKES SECONDARY COLLEGE

MUSIC PERFORMANCE at ‘STREAT VIBES’

Watergardens Shopping Centre held its annual Music Festival ‘Streat Vibes’ on Saturday March 1st, an event which is aimed at celebrating Australian talent and the local community featuring headlining acts Justice Crew, Reece Mastin and DJ’s John Course, Andy Murphy and Fabian Gray.

I’d like to congratulate VCE Music Performance students Jonathan Ciminelli, Liva Tofinga, Tyrone Tiata, Ashleigh Kennedy and Jerome Love for their involvement representing Taylors Lakes Secondary College and producing some fantastic performances displaying to the wider community, the amazing musical talent that we have at the College. I’d also like to acknowledge and thank the remarkable support these performers had from a number of staff members and a huge number of students who were also there cheering them on. Well done to everyone involved.

Mr Bobby Vasilevski
Music Co-ordinator

YOUTH OF THE YEAR QUEST

Congratulations to Melanie Abdeen in 11J for being a finalist in the Youth of the Year Quest

The Lions Club ‘Youth of the Year Quest’ is designed to encourage and evolve leadership skills in addition with citizenship qualities to further develop youths of our generation into first class citizens. Taylors Lakes was provided the fantastic opportunity to participate in the 2014 Youth of the Year Quest in which Melanie was given the privilege of representing the college.

The Quest, which was opened to youths from the ages of 15-18 encompasses several interviews and public speaking functions as the individual is judged based on qualities in leadership, personality, sportsmanship, public speaking and good citizenship. The Taylors Lakes District Winner was Sara Van Saden from Keilor Downs College.

We would like to wish Sara and all the other competitors from other districts the very best of luck and we would like to thank the Lions Club for the much prized opportunity.

Mr Chris Greechan
Co-Curricular Leader

ITALY TRIP 2014

Great news!! We have 13 students who will be participating in the 2014 Italy trip in September – October this year. It is great to see an increase in the number of students studying Italian in the school participating in this event which promises to be a trip of a lifetime! A reminder to parents that the next payment is due Friday 28th March at the school office. Thanks again to students and their families for supporting this fantastic opportunity. And if 2014 is not possible for you…start planning for the 2016 trip.

Mrs Danni DeLuca
Italian Teacher
FROM THE PRINCIPAL CLASS

Parent Teacher Interviews – a reminder
The Parent Teacher Interviews will be held on Monday March 31st. The interviews will run from 1 until 4 p.m. and then from 5 until 8 p.m. There will not be any regular classes for students on that day, however we ask and expect that students will attend interviews with a parent. The interim report summary sheet will be distributed by mail early next week. This will indicate specifically where teachers have requested an interview, however I remind all parents that interviews with any of your child’s teachers are possible and encouraged.

Newsletter Distribution
We are about to change the manner in which newsletters are distributed to the school community. From next term an email link will be sent to all parents who have registered an email address with us. The link will provide immediate access to the newsletter. This system is already in place however what will change will be that our current practice of issuing a printed copy to every student to take home will no longer occur. When a newsletter is put out each month, there will be copies available for collection by students at various points around the College should they wish to take a paper copy home, or should a parent like a paper copy. We have made this change as we have become aware that increasingly parents are accessing the electronic link to read the newsletter. Please note that we shall continue to publish hard copy updates of the calendar for students to take home to keep parents informed of events/dates at school. These will go home with report distribution each term.

Our Curriculum
Each semester we are now publishing an electronic booklet which covers our curriculum for all classes from years 7-10. This includes all assessments to be completed and is a useful tool for parents in discussion with children about the work they are currently doing at school. The semester 1 booklet has been updated from last year and will be sent out by email next week. Anyone without email access is encouraged to request a copy of the 32 page booklet from school, by contacting the office from next week.

Camps and Excursions
Term 1 is always a busy time for camps and excursions and I have recently had the pleasure of visiting both the year 12 and year 7 camps. I want to congratulate the students on both of these major camps for the manner in which they conducted themselves and worked together to make the events such a great success. Organisation of camps takes many hours and it is an appropriate time to acknowledge the work put in by many staff to make all of our camps and excursions such great events.

The Proactive Policing Unit
We have worked with the local Proactive Policing Unit running through Victoria Police for many years. The unit has supported the College with various programs in both student leadership and particularly cybersafety education. This year a consultative committee has been established between local schools from all sectors and the various police stations and units in the Brimbank area. Increased communication between schools and the proactive policing unit will have many benefits for our schools and the students. In previous times schools benefited from the Police in Schools Program. The Proactive Policing takes over many of the functions that these units performed in the past. In this newsletter you will see two articles from the Proactive Policing unit on safety issues in our community. I encourage you to read these.

Geoff Pell on behalf of the Principal Class
Danny Dedes, Lorne Anderson, Sasha Mildenhall & Louisa Norwood

Parents and Friends Second Uniform Information
The college will be running its ‘Secondhand Uniform Sale’ service in Term 1 2014 to provide parents the opportunity to sell their child’s school uniform that no longer fits them and purchase school uniform at a reduced price. The ‘Secondhand Uniform Sale’ service will run with the support of the College’s Parents and Friends Group.

Parents can drop off school uniform items at the College General Office during the following times:
Friday, March 21st 2014 (9am – 11am)
Friday, March 28th 2014 (9am – 11am)

Parents can purchase secondhand uniform items during the following time:
Monday, March 31st 2014 (3pm – 6pm for current Year 7 - 12 students Admin Corridor)

Additional information and price list can be obtained from the College General Office. This information will also be emailed to all parents who have supplied the college with a current email address.

Mr Danny Dedes
On behalf of the Parents & Friends Group

SOCCER PROGRAM NEWS—Senior Girls Futsal Champions!!

On the 26th February, the Senior Boys and Senior Girls participated in the SSV Keilor District Futsal Tournament. Both teams had to do without the services of the Year 12 students as they were away on study camp, so our Year 11 teams represented the school at senior level. The boys battled well throughout the day winning 2 of the 3 games they played, but went down to the eventual winners Copperfield College. The girls however put in an amazing performance winning every match, including the final with only 5 players. Not only did the girls have no subs throughout the entire day, but they won every game in style, 5-0, 6-1, 5-0 & 5-0. So a special mention must go out to Stefania Valerio, Nicole Szkucik, Michelle Vidanoski, Adriana Spaseska and Jacqui Bagaric for their valiant efforts. Well done girls!

Mr Paul Castelli
Soccer Academy Co-ordinator
As one of the current College Captains of Taylors Lakes Secondary College for 2014 I was fortunate enough to get the opportunity to go to Camp Howqua with my fantastic Year Level. We started our journey on Monday the 24th of February where we departed from Taylors Lakes at 8:00am. Despite being early morning, all Year 12s loaded their luggage onto the 3 buses and headed on a 3 hour road trip. From the minor pit stops to the rural towns of Yea and Mansfield, we finally arrived at the Camp, motivated to have an awesome time.

On the first day of our arrival all the Year 12s were assigned into cabins for sleeping purposes and an activity group. Luckily enough, seeing it was a pretty humid day, my activity group was the first to head over to the waterslide that the camp provided. At first I was quite hesitant to go on, seeing the size of the waterslide, though by the end of the session, I could say with confidence that I went on it over 9 times.

By the end of the day, 100% of students participated in their first activity which included attractions like the flying fox, the high ropes, archery, horse riding, orienteering and the occasional leisure and study break. When night time arrived students made their way to the main lodge for a Disco with DJ Whitefield.

The next day we consumed a sustainably enjoyable breakfast provided by the camp. Students made their way to their activities. Funny enough, the activity designated for my group in the morning was known colloquially as the “survivor challenge”. It involved students paring in two teams and competing against each other for ultimate supremacy. After that, teams cooled off in the inviting “mud pit” and after enduring a night of physical injuries suffered by my outrageous dancing at the Disco, there was nothing more ‘inviting’ than going into a dank, filthy pit of malignant ooze. After a hot shower and a quick moment of relaxation, I headed over to my next activity, which was archery. All and all, I think I found a new purpose in life, to be the next Robin Hood.

It was now 5:15pm and all the Year 12s were getting ready for dinner and, later on, compete against each other at a game of Trivia. By the end of camp I can say with great confidence that all Year 12’s had an incredible experience, though, for all of us it was our last camp at TLSC, and I must admit it, was an awesome adventure. I would like to thank my entire Year Level for making it an unforgettable camp as well as our Assistant Principal, Mr Dedes, Level Coordinators Ms Massarotto and Mr Kelliher and all the teaching staff, who came along and had a great time themselves.

Dylan Mamo
College Captain 2014
ENVIRONMENTAL RECREATION

Year 10 Surfing Day Trip
Year 10 Environmental Recreation students have been learning about a variety of outdoor environments and how they can best minimise their impact whilst undertaking recreational activities in them. On Thursday the 27th of February, the class got to go to Urquhart Bluff near Anglesea beach for a surfing lesson and to explore one of these environments in a minimal impact fashion. Almost everyone was able to catch a wave in to shore and show off their newly learnt surfing skills. Students who could not get in the water enjoyed a day of sun playing a variety of activities on the beach. Thanks again to Miss Else for helping out and all students for making it such a fun day out.

Mr Brendan Hodges
Outdoor and Physical Education Teacher

Year 12 OES Grampians Camp
On Wednesday the 5th of March the Year 12 Outdoor and Environmental Studies class went to the Grampians for a 3 day camp to explore the region’s environmental history. As part of this camp students enjoyed camping out under the stars, painting boomerangs, indigenous art shelter tours and hiking all the way to the top of the Pinnacle near Halls Gap. Everyone enjoyed the views from the top as it was due reward for a long and tough walk. We also got to go to Venus Baths and dip our feet before returning to our campfire. Thanks again to Miss Sampson for helping us out on this trip! These fieldwork trips form a vital component of the course of study. Students are required to draw heavily on their work from these fieldtrips in their final exam.

Mr Brendan Hodges
Outdoor and Physical Education Teacher

MIDDLE SCHOOL ART

Years 9 and 10 have been very busy in the Art department. Year 9s have been working on creating Pop Art style paintings in Gouache and during 3D classes they have been working on clay gargoyles. Year 10s have been completing self-portraits in different types of media. Here are some high level examples.

Ms Jody Scott
Domain Leader for the Arts

Chelsea Reilly 10F
Joey Buono 10H
Josh Dias 9C
Noah Cedillo 9C
It was no coincidence that this day February 12th, 2014 was a glorious one. We prayed to the weather gods and in return, were blessed with a warmth and sunshine.

Oak Park Aquatic Centre was jam-packed with seas of red, blue, green and gold students. They put such great effort into their outfits (and some were handsomely rewarded with movie tickets for best dressed). The festivities kept both the swimmers and non-swimmers occupied to say the least. Fairy floss, slushies, jumping castle, barbecue and the photo booth kept everyone entertained.

Whether professional or untrained, it was encouraging to see our swimmers giving it their best. Special mentions to Monica Lavcanski, Rebecca Cowling, Kaila Neustro, Hun & John Lee for their amazing performances. The novelty races and the concluding structured-activity time were clearly the favourite items on the schedule.

A special thank you to Samantha Marshall (Commonwealth Games Silver Medalist – Breast stroke) for visiting us and sharing her wise words. And last but not least, the House Championship results for swimming came intensely close this year. Apollo House emerged victorious with 184 points, followed by Parmelia and Chichester Houses on an equal 172 points, with Lionheart in fourth place with 134 points.

Well done to everyone involved and I hope to see you all at the annual Athletics Carnival on May 8th, 2014.

Mr Lajos Kozák
Sports Co-ordinator
7K TEXTILES class was recently treated to a visit from Jacinta Den Besten, the Coordinator of the Telescopes in Schools Program at The University of Melbourne. The class is embarking on the Astronomical Quilt Challenge – they are each designing and making a star themed quilt block using fabric crayons and to be embellished with embroidery. These will be submitted to the 40th Anniversary International Quilt Show in Houston, Texas later this year, to be combined with other quilt blocks. They were inspired by a video of NASA Astronaut Karen Nyberg, who created her own quilt block for the challenge, whilst on board the International Space Station.

Jacinta showed the class her fascinating videos on stars and inspired them with some samples of the Textiles projects she has made and her own quilt block that she has created for the challenge. She then took questions from the group, who were really engaged and fascinated by her knowledge.

Thank you Jacinta for taking your time to pay us a visit!

Mrs Minahan
Textiles Teacher

---

**TEXTILES—Astronomical Quilt Challenge**

---

**FOUND AT THE SWIMMING SPORTS**

- Black runners and blue socks
- Denim girls PIPER shorts
- Aussie flag towel
- 2 pairs goggles
- Black men’s digital watch
- Black ‘Pink Sugar’ girls t-shirt
- Girls black zip up hoodie
- Pink girls HOT & SPICY singlet top
- TLSC jacket and sport shorts

See Mrs Minahan in TECH WORKSPACE to claim

**TELESCOPES IN SCHOOLS 2014**

- **What’s happening in 2014**

  **Observing Sessions**
  During terms two and three, staff from Melbourne University will run an observing session every Monday evening after school in the mound area. The session will start at 6:30pm and generally finish by about 9:30pm. All students, teachers and their families are encouraged to attend.

  **Student Certificate in Telescope Operation**
  During the course of these two terms we will be offering students a program to train them in the use of the telescope and the process of running an observing session. They will learn how to setup and use an advanced telescope as well as how to image various astronomical objects, all of which should take three to four hours. Upon completion of their training they will receive a certificate from Melbourne University. This training is also available to parents of students as well.

  All students interested in completing this training should see Mr. Davie in the Maths/Science workspace. If there are particular astronomical objects you would like to view then let me know and I will arrange for you to both view and if you wish image them as well!

Mr Robert Davie
Maths/Science Teacher

---

**Among other objects you can expect to see through our telescope…..**

- Moon
- Globular Cluster – 47 Tucanae
- International Space Station
- Jupiter
I would like to take this opportunity to recognize and congratulate our student leader group for 2014. A big thank you also to Miss Sarah Tonna, Miss Victoria Brink, Mrs Nariman Eskander, Miss Petek Cagrier, Miss Theresa Burlak and Mr Jordyn Croft for leading each individual group in their project facilitation.

Year 7 Leaders
Angelo Abalos, Natalie Allan, Matthew Cardwell, Noelle Chaouk, Maddison Duffy, Brayden Gatt, Adem Gec, Alex Josevski, Damian Kacanski, Brooklyn Lees, Carmen Lu, Mitchell McInnes, Sienna Morfea, Joanne Nguyen, James Papafotiou-Mollaj, Chelsea Rayner, Zack Seath, Zachary Sgariglia, Caitlin Stefanovska, Jicinta Timpano, Satomi Valencia, Elise Vella, Jemma Withers

Year 8 Leaders
Celeste Basile, Dylan Cassar, Eden Cerasiotis, Keziah Choong, Jacob Elzo, Luke Hender, Jaspreet Kaur Bains, Caitlyn McInness, Joshua Nguyen, Isabella Pascale, Stephanie Paternotte, Kellie Phan, Michael Tzoutzidis, Satoshi Valencia, Jayden Vella, Harris Zervakis

Year 9 Leaders
Jasmin Attard, Thomas Cardwell, Chloe Evans, Luke Fisher, James Flynn, Paul Formosa, Sarah Frantzeskos, Dean Jones, Maddison Lorimer, Louis Manabat, Brittany Needham, Cameron Rayner, Erin Stefanovska, Lora Subotic, Billy Theofanous, Christopher Theofanous, Daniel Trajevski

Year 10 Leaders
Aypril Ahmet, Tijana Chetcuti, Jordan Craft, Renae Divolis, Renee Fiore, Kennedy Jones, Kuljit Kaur Bains, Sophie Leiper, Vanessa Luong, Mariam Mahfouz, Nellie Mastrop, Zaffie Mastrop, Renae Matias, Chelsea McNerney, Sara McInness, Emily Pullens, Alicia Ryan, Nicole Stanfield, Chanel Tarquinio

Year 11 Leaders

Year 12 Leaders

Our College Captains are as follows:
Leaders will be participating in a range of fundraising activities as well as an added component of community-based volunteering throughout the year. Leaders are also expected to speak on behalf of their fellow students therefore all other students are encouraged to approach the student leaders with various ideas to improve life at Taylors Lakes Secondary College. Well done again on your successful applications leaders.

Mr Chris Greechan
Co-Curricular Coordinator

I encourage as many students as possible to attend these clubs which generally run on a certain day for every lunchtime of Terms 2 and 3 and some of Term 4. If students are interested in any of the clubs listed they should attend the room shown on the scheduled day to express their interest. More information please contact me on 9390 3130.

Mr Chris Greechan
Co-Curricular Coordinator

NOTICE FROM PUBLIC TRANSPORT VICTORIA

In 2014 Public Transport Victoria will be deploying more Public Transport Authorised Officers to work across trains, trams and buses and they will be stepping up enforcement to ensure fare evaders are caught and penalised. Particular emphasis will be given to CBD travel, our bus network and metropolitan areas where there is significant school student traffic.

Students are legally required to touch on with their myki cards every time they travel, even if they have a valid student pass.

Students who have a student pass, or who are over 16 years old, must also carry their concession card at all times when travelling. Without their concession card their student pass is NOT valid whether they have touched on or not.

All students aged 17 years and over, or those requiring half yearly or yearly Student Pass (regardless of age) are required to obtain a 2014 Victoria Public Transport (VPT) Student Concession Card as proof of their concession entitlement.

More information is available online at ptv.vic.gov.au

FOOD FOR SPECIAL OCCASIONS

On Wednesday the 12th of March our class went to the Grand Hyatt for a tour of the 5 star hotel located in the city and it was amazing. It had an all you can eat buffet with foods ranging from a variety of Asian, Italian, Japanese and others cuisines. We all enjoyed the tour of the hotel and saw the stunning luxury suites and most of their facilities which included the events room, gym, kitchen and bar. We learnt a lot about the effort it takes to run a 5 star hotel and the incentives of working for the hotel were discounts and possible free accommodation around the World. We had a great day.

Paige of Year 10
Food for Special Occasions Student

Did you know volunteering can be fun?
Community Service is for everyone!
Young people. Families, Men, Women
As a volunteer you’ll:
Help your community and Gain valuable skills;
Network with others,
Energize your life,
Make an impact
And have fun!
Get in step with your community.
Volunteer.

BICYCLE SECURITY

Tens of thousands of bicycles are stolen each year, with almost half taken from around the home. Other popular locations for thefts include educational facilities and public transport areas. Most stolen bikes (80%), are unsecured when left unattended.

**An unlocked bike is an invitation for a thief to take it.**

To reduce the risk of your bike being stolen, you should:

- Always lock your bike, even at home (e.g. in the garage) and even if you are leaving it for a very short time.
- Lock it to a fixed, immovable object like a parking meter or permanent bike rack.
- Lock in a visible and well-lit area or if possible in a secure bike cage.
- Use a combination good quality D-lock and locking cable for optimal deterrence.
- Secure components and accessories, especially quick-release components such as wheels, with a secondary cable lock.
- Be able to identify your bike. Less than 10% of bikes reported stolen are recovered. Bikes can be returned to their owners if engraved with your license number (with initial V for Victoria before it) on the bike, usually underneath the bottom bracket where the pedals rotate on the frame.
- Ensure your bike is insured

**Recommended method for locking your bike.**

VEHICLE SAFETY

Police from the Brimbank and Melton Local Government Areas are attempting to reduce the thefts of motor vehicles, theft from motor vehicles and the theft of number plates. Mobile phone, GPS, loose change, sunglasses, handbag, satchel or perhaps private mail are items that should be kept out of view to reduce the chance that your vehicle may be broken into. Your car should always be locked even if you are leaving it unattended for a very short time, paying for petrol, collecting children from school or running into a friends house. The shortest time can result in a theft.

I urge the community to access the Victoria Police web site, [www.police.vic.gov.au](http://www.police.vic.gov.au). Once at this site go to the Crime Prevention tab and search “Residential Crime Prevention Information Kit” In this document there is a designated section covering “vehicle safety”. In this same document it also talks about securing your number plates. Stolen plates are often used by criminals for the commission of an offence. This could be burglaries, petrol drive-offs, armed robberies or simply using tolled roads where you receive the bill. To prevent this from happening you can purchase “one way screws” and replace the existing screws. These screws can be fitted with a normal screw driver but require a special device to remove them. These screws are available from leading automotive suppliers such as Repco. The cost of these items is around the $8 mark.

In addition to this information be aware that in the coming months a number of “Safe Plate” days will be run in the Brimbank area. These days will provide the security screws free of charge. We hope to advertise these dates and venues in local media in the near future.

If you see something suspicious then take note and report it. It maybe a suspicious vehicle in your street or a person wandering around in a car park. Calling 000 will have police attend to this report or a call to Crime Stoppers for less urgent matters.
