As a part of the year 10 program 80 students attended the Queensland camp/trip from September 13th to 19th 2014. Along with the students came 8 fabulous staff members from the college. We all boarded a bus and started our 24 hour journey to the Gold Coast where we all took part in a range of different activities including attending 3 theme parks which were: Wet 'n' Wild, SeaWorld and Movie World. All students and staff also participated in a day of surfing and kayaking at Burleigh Heads. Whilst at camp we also spent one of our days shopping at Pacific Fair and Harbour Town. The theme parks were definitely a highlight for all the students.

We would like to thank the College and the teachers who put in so much time and effort into making this such a successful and memorable trip for all the year 10 students who attended.

PLAN YOUR OWN ENTERPRISE

Students are required to prepare a detailed business plan to respond to a community need. This competition provides the opportunity for students to develop a business model that includes focusing on feasibility, compliance with appropriate legislation, marketing and resource management. It’s a real opportunity to provide students with an authentic learning opportunity.

Gillian, Mitchell and Chrysanthi prepared a business plan for their business – GMC Canteens. Their vision is to serve healthy lunch options as well as café style beverages. Items including fresh produce and light lunches will range in price to provide inexpensive choices for students and staff in comfortable surrounds which can also serve as a study area.

Also a big thank you goes to Angela McKendry and Shervin Mazaheri Kashani (student teacher) for supporting our students with this competition.

Ms Sasha Mildenhall
Assistant Principal

FROM THE PRINCIPAL CLASS

Congratulations
Last Monday I had the absolute pleasure of attending the presentation of the Plan Your Own Enterprise awards for Victoria and nationally as well. It was absolutely delightful to see our year 11 Business Management teams of Gillian, Mitchell and Chrysanthi being awarded the second place award for Victoria in the group category. As a national competition the awards draw over 1000 entries and gaining this award is recognition of the effort made and quality of the final project. The students worked on the project during their Business Management classes with the assistance and guidance of their practicum teacher, Mr Shervin Mazaheri Kashani along with their regular teacher Ms Angela McKendry. An outstanding effort by all.

BYOD
We have now completed briefings for both the incoming year 7 families as well as current year 9 families on the implementation of Bring Your Own Device (BYOD) as it will operate within our College next year. Remaining year levels with continue with the current Netbook arrangements for 2015 unless any student wishes to transfer across at any point. More information will be provided to families at other levels should this be desired. We have gone to a lot of trouble to ensure our BYOD service is not only at a quality level, but also that is can be suitably monitored when any student is logged on to the school network and the use of the computer can be monitored at those times.

Year 12 Celebrations
As a year 12 level completed classes there was time for a short but memorable celebration and I would like to take this opportunity to congratulate the current VCE and VCAL cohort for the manner in which they conducted themselves through this. The traditional dress up day saw a wide variety of costumes, all in good fun. The final day commenced with a walk as a year 12 group into the school where they were greeted by all year 7 students. The year 12 students then spent some time viewing a range of highlights of their year and then completed the morning with a new innovation for us, the Long Lunch! The group joined in for a great celebratory lunch in what was very much a picnic atmosphere joined by many of their teachers when available. Some dancing, many farewells and lots of memories. Many staff were involved in bringing the special lunch event together, however I would like to single out the staff who organised this and particularly the Co-ordinators Mr Kelliher and Ms Massarotto as well as Mr Dedes.

Exams are underway
Yesterday our year 12 students experienced their first day of the final exam period and English at VCE is now behind them. The exams run over the next two and a half weeks and year 11 and then year 10 exams will follow in close succession. Apart from exams we are now well progressed with planning for next year. Students in current years 10 and 11 have their subjects for next year and year 9 students progressing to year 10 will be informed of their allocations in the next two weeks. Any student with any question concerning allocations should in the first instance check with Ms Damon in L2.

Reminder – Next Monday
Whilst many families have family members with a rostered day off next Monday, I remind our school community that next Monday is a normal school day with classes running as usual.

Education Maintenance Allowance
I remind parents again that the Victorian Government has made a decision to no longer pay eligible parents an Education Maintenance Allowance. The decision has been taken to hand some of this money over to some schools. We have received some money in this allocation and we are currently considering how this allocation can be most effectively used to assist needy families in some ways through school programs, albeit in a very reduced manner from the previous system.

ITALY TRIP 2014

The 11 students and 4 staff who went on the Italy Trip I’m sure would agree that it was an experience they will remember forever! We travelled from the south of Italy (Reggio Calabria) to the north (Milan) in the short(!) time that we had. On every trip we try to add something different to the previous ones and this time students attended a Gelati making class in Sorrento which was fantastic and yes it meant we got to sample more gelato!! We did a tour of San Siro Stadium in Milan and also visited the town of Lucca in Tuscany and to explore it we hired bikes and rode around the town.

We made sure we saw the tourist attractions in the main cities like: The Colosseum, the Vatican (and yes, we got to see the Pope in what were very crowded circumstances!), the leaning tower of Pisa, Pompeii, the Last Supper in Milan and lots of others – too many to mention. Homestay in Rome was a fantastic experience for the students to see what its like to be a student in Rome for 5 days and to experience family life. Host families were very accommodating to our students’ needs and made sure they could do all possible to make their stay a memorable one.

Our students got to experience a small snippet of school life at Il Liceo Manfredi Azzariti and very quickly made comparisons to our school! One of them being that school finishes at 12.30pm! If they are late to school they are locked out! On our trip we sampled lots of Italian food and tried to vary the different types of pasta and pizza we could eat and sometimes experimented with the local food. Another highlight of the trip was our day in Molochio in Southern Italy (Reggio Calabria) where we met locals, visited the Primary school and made some connections, had a picnic lunch up in the mountains, played soccer and let’s not forget the banquet dinner that was prepared by the families of this very small town. The food was based on traditional Calabrese dishes with their own local produce being used as the ingredients – Masterchef at its best!

The trip provided the students with different opportunities and it was great to see them willingly trying different things and experiences. I am sure they will have some fantastic memories of the 2014 Italy trip (even if it is about how heavy their suitcases were!!) and I encourage all students to consider being part of the 2016 Italy trip!

A big thanks to the staff involved: Mr Pell, Mr Dedes and Ms Johnson your assistance on this trip was greatly appreciated. Grazie! To the parents of the students who participated thank you very much for your support in the trip and I hope it will be a topic of conversation for many years to come! To the students, you did really well and although at times we were all exhausted we really did so much in such little time. I hope you got to bring home more of Italy that fits in a suitcase!!

Saluti,
Mrs Deluca

EXPRESSIONS OF INTEREST FOR ITALIAN STUDENTS HOMESTAY FROM ROME IN SEPTEMBER 2015

Are you interested in hosting a student from our sister school in Rome “Il liceo Manfredi Azzariti” for 5 nights in September 2015?

We are looking for families from Taylors Lakes Secondary College to assist in accommodating students next year. If you are interested, please fill in the details below and return either to Mrs Deluca in H2 or to the General Office. It is probably advisable for any students thinking about participating in the 2016 Italy trip to be part of this event as it would be great for families to reciprocate the exchange.

All students study English at the school so language should not be a problem!

I/we are interested in hosting a student from “Il liceo Manfredi Azzariti” during September 2015.

YEAR 10 CRIME & PUNISHMENT EXCURSION

In the last week of term 3, three year ten classes taught by Mr De Bernardi, Mr Whitefield, and Ms Earl ventured out on an excursion to the Magistrates Court and the Old Melbourne Gaol. Students listened to a number of court cases varying from drink driving, sexual assaults and family violence, to give them more of an understanding of how courts operate. It was a very interesting experience and quite confronting. After the courts, students walked to RMIT cafeteria and enjoyed a lovely lunch outside.

The second part of the day involved the students visiting Old Melbourne Gaol. Students were guided through the Watch House and were treated like prisoners, giving them an insight into how it would have been back in the 19th century. It was a really interesting and fun experience! It gave students some background knowledge about how the legal system works and what a possible career in law could be like.

ROYAL MELBOURNE SHOW

A big congratulations goes to NAOMI FANANI (2ND PRIZE) and KULJIT KAUR BAINS (COMMENDED) who were successful with their TEXTILES bag projects at this year's ROYAL MELBOURNE SHOW SCHOOL COMPETITIONS. There was stiff competition this year with multiple entries from many schools, so the girls did extremely well to gain an award.

RSPCA CUPCAKE DAY

Environmental Awareness Society (EAS) update

A huge thank-you to all who supported the RSPCA cupcake day – we raised a total of $328!

A special thanks to Ms Norwood and Ms Mildenhall who took time and money out at home to bake delicious and creative cupcakes. Also to Ms Johnson and the Home Economics team for letting us take over S3 and Mrs Drenen who assisted during the important baking process!
Last, but certainly not least, the passionate members of the EAS who gave up their lunch times and afterschool to help plan, bake, ice and sell cupcakes. Woolworths at Taylors Lakes Shopping Centre generously donated ingredients for the EAS which certainly made the day a resounding success.
Onto the next project! If you wish to get involved or have a project you would like to run, please come to S5 during Thursday lunchtimes.

LOOK WHO DROPPED IN…..

Jodie Le, class of 2009. Jodie left school to study a B. International Business at RMIT. In her cooperative year she spent 12 months with Glaxo S Kline where she developed her skills and knowledge in the workplace. Jodie was accepted into the Graduate Program with the Victorian Public Service and currently is attached to the Department of Transport, although she does rotate to gain an overview of the other departments. Her dream job would be within the DHS area working to improve the lives of young people.

Sandra Thomas
Sandra was a student in the VCAL class of 2013. Sandra is currently completing a Diploma in Specialist Makeup at Victoria University. Her course includes two placements the first she has completed in a burlesque show, and the second will involve special effects. Sandra says the course has given her skills and knowledge of the makeup industry and also self-confidence and an opportunity to commence her professional portfolio. She doesn’t miss the homework and deadlines of school but does miss seeing her friends every day. Sandra’s dream job is to work in this industry for television.

Christopher McKenzie, completed his VCAL Intermediate Certificate in 2013. Chris has commenced his apprenticeship in Carpentry. Chris says the variety at work each day helps to make his employment very enjoyable. House framing, decking and pergola construction has allowed him to increase his knowledge and skills in this industry.

WORK EXPERIENCE

Work experience for the PDP class at Year 10 at the end of last term. Two snapshots in the workplace show Ricky Brelis (middle) and his employer at Sportsco as well as Andrew Iaconis at Door to Door Hire.

Federation University visits Taylors Lakes Secondary College.

Representatives from Federation University visited the College last week to provide information to students who may be considering tertiary courses after secondary school. The University is the result of an amalgamation between the Ballarat University and Monash Gippsland. Russell Bray spoke of the nearby delivery sites at Caroline Springs and Melton campuses, of interest to some of our students. In 2015 the University will offer both Diploma and Degree courses at these venues. Martin Perkins and Geoff Dodds also spoke about their respective departments Multimedia & Management.

The courses on offer for 2015 at these venues are;
- Bachelor of Arts with a common first year and guaranteed pathway into the 2nd year of the Bachelor of Education (P-10) or Bachelor of Community and Human Services.
- Diploma of Early Childhood Education & Care with a guaranteed pathway into the Bachelor of Education (Birth-6).
- Diploma of Digital Media Technologies combined with relevant work experience can pathway into Bachelor of Applied Management (Design).
- Diploma & Advanced Diploma of Management (Fast-Track) with a guaranteed pathway into the Bachelor of Applied Management offered to mature age students with work experience.
- Diploma of Management

SUNSMART POLICY

In terms 1 and 4 the College has a Sunsmart Policy in effect for all Physical Education practical classes. Term 4 has always been warm and the UV rays are much stronger at this time of year. This policy requires students to either wear a hat or put on sunscreen in front of their teacher. If your child has an allergy to regular sunscreen, they may bring their own and apply it in front of their teacher.

Thank you for your co-operation.

The tenth Victorian Premiers’ Reading Challenge (VPRC) concluded on September 12th with 254 students reading at least 15 books. At the culmination of the PRC, students had recorded online 7,711 books, a wonderful achievement and indicative of the strong reading culture that has developed amongst our students. Our 2014 VPRC Top 10 readers will be announced at this year’s Presentation Awards ceremony, although it is clear from the results that some of our students have once again shown themselves to be avid, passionate readers.

Congratulations to the students who successfully engaged with the 2014 VPRC as well as to the Library and English staff whose commitment and work ethic have contributed greatly to this enhancement program.

Children’s Book Week (CBW) is a celebration of literature and reading. Our library organised a variety of fan activities including daily trivia quiz questions on popular books and authors, treasure hunt, film viewing and competitions involving prizes. The CBW theme for this year is ‘Connect to Reading’. The Children’s Book Council of Australia (CBCA) is a volunteer run, not for profit, organisation that is passionate about children’s and young adult literature. Each year the CBCA runs a competition to identify Book of the Year. This year’s winners were announced in mid-August.

The winners and honour books are listed below for two of the most relevant categories are as follows:

**CO-CURRICULAR NEWS**

Mambourin Enterprises Year 10 Pathways Development Program (PDP) Community Project

On Thursday 9th October, the PDP class ventured out to Mambourin (Braybrook), a local disability centre catering for approximately 80 clients. The PDP class was involved in upgrading the facility by way of painting buildings and general gardening and mulching. The students undertook the tasks with a great work ethic and thoroughly enjoyed the opportunity to communicate and integrate with the clients. This is one of many projects Taylors Lakes SC has participated in with Mambourin Enterprises. On the previous Tuesday, the same PDP class invited 8 of the clients to Watergardens and they participated in a game of Ten Pin Bowling which was enjoyed by all.

VOLLEYBALL REPORT—Year 8 Boys

On Tuesday 16th of September, Year 8 boys’ volleyball players travelled to Copperfield College Sydenham campus to take part in the Interschool Volleyball Competition. We competed against KDC, Victoria University SC and Copperfield Sydenham. The team played good volleyball but unfortunately we couldn’t get through to the final. The day, however, was very enjoyable and all players including myself had a lot of fun. All players are to be congratulated on their great effort that has been put in the training sessions both at lunchtime and after school as well as the sportsmanship they displayed throughout the day. Well done, boys!

Year 8 Boys players are:
Jacob WEATE (8J), Johan BARNARD (8B), Adam BIFANO (8J), Long TRAN (8I), Cassius LUA (8F), Vaka KAMA (8E), Zane BOOTH-BRUSCINO (8G), Blake LAWSON (8E)
